

Munster under 16 & 18 Boys and Girls Teams:

The Munster Branch Coaching Committee is inviting applications from coaches, assistant coaches, managers and goalkeeper coaches who would be interested in preparing the Munster Under 16 & 18 Boys and Girls Teams for the 2008/2009 Interprovincial tournaments. The tournaments will take place in October/November/December 2008.

The Coaching Committee are looking to appoint people into these positions by the middle of March, so that preparations can begin earlier. Schools and clubs will be contacted by the branch for a list of potential trialists and we would envisage some development work taking place during the end of the school term and throughout the summer. We feel a longer preparation period will give the players involved a better technical and tactical base due to prolonged input from Inter-Provincial management teams, and therefore a better chance to go on and represent their school and club when representing Munster.

The Munster Branch Coaching Committee encourages all interested applicants to contact John Hobbs (Chair of the Munster Coaching committee) to register their interest by sending an e-mail containing their contact details, coaching experience and coaching qualifications to munstercoaching@gmail.com

The Closing Date for Applications is 5pm on Friday the 29th of February 2008.
